Dear Barbara:

My colleagues and I are indebted to you for a stimulating and provocative discussion of "An Inquiry into the Persistence of Unwisdom in Government." As I am sure you could tell, your presentation was a great success, and I am certain you sensed the enthusiastic response of the audience. Never in the history of the Guest Speaker Program has the auditorium been so filled; in fact, in another part of the building, more than 100 employees watched your presentation via closed-circuit television.
